

## TO THE MEMBERS OF ABQAPA

June, 2010

Thank you so very much for making this past year and a half a very memorable Presidency. Some of our accomplishments are:

- Our commitment to our charity, Casa Esperanza, came to be with the "Change for Hope" jar, the quarterly dinners and the donations through the luncheon reservations. ABQAPA will continue with its commitment to community service.
- The passing of eleven out of twelve CPP/FPC students from our Fall 2010 class was spectacular. Congratulations to all of you - May you have continued success.
- The establishment of our Sponsorship program will allow the Board to continue to improve our organization. It will allow the Board to pursue other avenues for helping our Chapter and our Payroll Professionals.
- The involvement of the general membership to our community commitment, their constructive comments and general support were (and still are) greatly appreciated. Without you and your support, there would be no ABQAPA.
- The Officers' and Board members' commitment to leading our organization in a consistent and timely manner has proven to be very effective and will continue to improve our Chapter. I personally want to thank each one of my Board members their support and dedication. Without them, I would have failed.

The above accomplishments are just a few that stand out during my time as President. These Chapter accomplishments are ones that every member of our Chapter should be very proud of. As my term comes to a close, I want to assure you all that I will be staying an active member of this wonderful group for a while. I am passing the baton to some very dedicated peers.

Thank you and God bless you all,
